Cannabis Legalization

Cannabis Policy Implications for
Schools & Communities

TUESDAY, JANUARY 18th, 2022 • 10:00AM
FREE VIRTUAL WEBINAR

Do you wonder what marijuana legalization means for young people in your community? Prevention is Key is committed to educating and empowering schools, parents, and community members through open and productive discussion on the implications of cannabis legalization.

We invite you to join us for a virtual webinar on current issues regarding the possession and use of cannabis, including possession by students in our public schools. Learn about the role of schools and law enforcement in addressing these issues.
