

Become a part of the solution to the opiate epidemic in Burlington County!!

Prevention Is Key and the Center for Addiction Recovery, Education and Success, (CARES) has an immediate opening for a full-time Outreach Coordinator to work in our two Recovery Centers in Burlington County, NJ. This key position will work to establish a presence in the local community and function to provide Peer-to-Peer recovery support services to individuals who request assistance as part of several community-based initiatives both ongoing and planned within the region.

The ideal candidate:

- Is a member of the Burlington County community, familiar with, and knowledgeable of the available resources both in and out of the immediate area
- Possesses or is actively working towards their Certification as a Peer Recovery Specialist in NJ
- Is a person in stable long-term recovery or someone with lived experience and has experience working with the recovery community in some capacity
- Has an undergraduate degree in Psychology or a related course of study, or an equivalent number of years of relevant work experience

Work location: Burlington County, NJ

Hours: Monday – Friday 9:00 a.m. to 4:30 p.m., evenings and weekends as needed
