

Candlelight Vigil

We invite you to join us for an evening of remembrance in observance of International Overdose Awareness Day. Together, we will honor and remember those we have lost to substance use through a special rock-painting activity. Memorial rocks will be available to paint in tribute to your loved one and serve as a meaningful expression of remembrance.

If you would like your loved one's name read aloud during the remembrance ceremony, please email their name to jtotton@mcpik.org or call 973-625-1998 ext. 131.

Refreshments will be served.
